

We are here to help with our *Feel Secure* credit

Together, we are making a difference in curbing the spread of COVID-19. Staying at home. Driving less. And, driving less means fewer accidents.

15% Feel Secure credit on Auto Policies

We are applying a 15% Feel Secure credit for two months of premiums on Auto policies that are in force as of April 30.

Beginning in May, the credit will be applied to your next premium balance or refunded if your premium has been paid in full.

Call us – uninterrupted customer service

Our Customer Contact Center representatives will continue to be available during normal business hours to assist you. And, you will still be able to report a claim 24/7.

If you're having trouble making your premium payment, let us know

Lives have been disrupted in many ways, including financially. If you are unable to pay your premium, we can help you switch payment plans, and can waive late and reinstatement fees so that your policy won't be cancelled. Call and tell us your situation. We want to help.

We are committed to fulfilling our mission of helping people feel secure and making life better when bad things happen.

Penn National Insurance in the community

We recently donated over 19,000 respirator masks to a local hospital in Harrisburg Pa., the home of our headquarters. We appreciate the tireless work of all healthcare professionals and will continue to look for ways to support them.
