

Agri-Business

Agriculture risks have never been greater than they are right now. *Finding the right coverage is critical.*

Agriculture, a multi-billion dollar business, is complex, and the risks associated with it evolve rapidly.

Our Agri-Business department can assist you with implementing a comprehensive risk management plan. We're committed to the industry and uniquely positioned to provide you with exceptional customer service from team members who know farming firsthand.

About Strickler Agency

Independent agency
since 1925

Licensed in
25+ states

Over \$80 million in premiums
under management

AN ENTIRE DEPARTMENT *Devoted to Agri-Business*

Strickler Agency has a department focused exclusively on Agri-Business. Our team members come from your farming community. These dedicated industry experts understand the agriculture business, serving clients in Pennsylvania and surrounding states. We work with you to identify and cover potential risks.

SPECIALIZED COVERAGE *for Your Needs*

Our team listens to your concerns and finds program tools that offer the biggest benefits, such as:

CROP INSURANCE

LIVESTOCK INSURANCE

CROP-HAIL INSURANCE

FARM OWNERS COVERAGE

COMMERCIAL
